STEPHANIE TOWCH

stephanietowch@gmail.com | Portfolio | LinkedIn | ResearchGate | ORCID

PROFILE

ESRC-funded PhD researcher in Psychology at Birkbeck, University of London, investigating work addiction and its associations with health and wellbeing. Published researcher and international conference presenter with expertise in quantitative research methods, including psychometrics, structural equation modelling and machine learning. Experienced in R, Python, Mplus, SPSS and Qualtrics, with research spanning scale validation, systematic reviews and predictive modelling.

Research Interests: Work addiction and behavioural addictions; health psychology; work psychology; quantitative research methods; psychometrics; machine learning.

Previously spent 16 years at JPMorgan Chase in commodities operations, change management and finance technology project management. Interested in postdoctoral research opportunities in academia and research-focused roles in industry, particularly those involving quantitative methods, behavioural research, and health and wellbeing.

PROFESSIONAL EXPERIENCE (SELECTED)

2024-2027 **PhD Researcher (ESRC-funded)** | Psychological Sciences, Birkbeck, University of London - London, UK

2023-2024 **Research Assistant & Teaching Assistant** | Psychological Sciences, Birkbeck, University of London - London, UK

2014-2020 **Project Manager** | Global Finance Technology, JPMorgan Chase Bank - London, UK

2012-2013 **Change Manager** | Finance & Business Management, JPMorgan Chase Bank - London, UK

2007-2012 **Trader's Assistant** | Commodities Exotics Middle Office, JPMorgan Chase Bank - London, UK

EDUCATION

Oct 2023-Jul 2027 **PhD Psychology** | Birkbeck, University of London - London, UK

Jul 2024-Sep 2027 **MA Social Science Data Analysis** | Essex Summer School, University of Essex - Essex, UK

Grade: Distinction, thesis pending. Modules: Web scraping and data management; confirmatory factor analysis and structural equation modelling; machine learning for social scientists; machine learning for estimating treatment effects from observational data.

Jul 2023 **International Business Global Academy** | Southwestern University of Finance and Economics - Chengdu, China

Oct 2021-Sep 2023 **MSc Organisational Psychology** | Birkbeck, University of London - London, UK

Grade: Merit. Thesis: "Exploring the relationship between work addiction and burnout."

Oct 2019-Sep 2021 **MSc Psychology** | Birkbeck, University of London - London, UK

Grade: Distinction. Thesis: "The effect of selective attention on auditory processing: Detection accuracy of task-relevant frequencies versus task-irrelevant sounds."

Sep 2001-Aug 2005 **BA (Hons) Financial Services** | Bournemouth University - Bournemouth, UK

Grade: 2:1, including French for Business. Thesis: "Afterwork: Final Salary versus Defined Benefits Pension Scheme."

SKILLS

- **Research Methods:** Quantitative research, psychometrics, scale validation, structural equation modelling, machine learning (ML), causal ML for estimating treatment effects, predictive modelling, statistical analysis, systematic reviews
- **Software and Data Analysis:** R programming, Python, Mplus, SPSS, Qualtrics
- **Subject Expertise:** Work addiction & behavioural addictions, health and wellbeing, psychology of work
- **Professional Skills:** Project management & change management, finance and commodities operations, stakeholder management, business process improvement, training & mentoring
